## Autumn Treasures Scavenger Hunt

See if you can find the things listed below in nature nearby in this “look but don’t collect” scavenger hunt.

- 1) Something that can glide through the air that is not a bird or an insect
- 2) Something bright orange or yellow
- 3) Something brown that looks like a fuzzy tail
- 4) Something that can stick to you and is almost invisible
- 5) Something round that can be red, yellow, or green
- 6) Something green that looks like deer antlers
- 7) Something that looks like it could be an umbrella for a mouse or a beetle
- 8) Something that would be a tasty treat for a squirrel
- 9) Something that reflects the sky
- 10) Something that crunches under your feet

*Possible answers: 1) a maple tree or dandelion seed, 2) a leaf that has changed color, 3) grass seeds, 4) a spider web, 5) an apple on a tree, 6) lichen, 7) a mushroom, 8) a nut, 9) a puddle, 10) dried leaves*
