

# Nearby Nature Math+ Teacher at Network Charter School (updated 7-2-21)

Nearby Nature is hiring a middle/high school mathematics teacher for the 2021-2022 school year to work at Network Charter School (NCS). This is a part-time position that includes 0.6 FTE Math plus another .2 FTE (ideally in Physical Science). Teachers at NCS are relationship builders, content enthusiasts, and innovative thinkers. They utilize the school's unique instructional framework to develop and deliver personalized and proficiency-based instruction designed to meet the unique strengths, needs, and interests of students who have struggled in traditional schools. Small class sizes and flexibility in course design offer our teachers great opportunities to think critically and creatively about education.

**Location:** Network Charter School in Eugene (2550 Portland Street)

## Qualifications:

- Current State Licensure for middle/high school math plus another subject (ideally physical science), preferred
- Experience (or a strong interest in) teaching in an alternative classroom environment
- Experience (or willingness to learn) restorative and trauma-informed teaching practices
- Understanding of and ability to comply with IEP and 504 accommodations
- Comfortable working in settings with multi-level, multi-aged students
- Passion for developing engaging and creative lesson plans that meet Oregon State Standards
- Ability to teach in a hybrid environment, online, and/or in-person small cohorts
- Organized, independent, self-motivated, efficient work style
- Excellent communication skills, team member ethic, and a sense of humor
- Bilingual in Spanish/English preferred, but not required

## Responsibilities:

- Teach Integrated Math, a course that emphasizes the connections between algebra, geometry, statistics, data analysis, and probability. This integrated approach helps students gain a deep understanding of key math concepts and how they are connected (0.6 FTE = full days M/W/F).
- Collaborate with the NCS Math Team to develop courses, deliver content, and evaluate program efficacy.
- Teach physical science or another content area dependent on the candidate's certification (0.2 FTE = half days TU/TH).

## Benefits:

- Salary of \$38,260 for .8 FTE (or modified equivalent if FTE is smaller/larger)
- Hourly wage of \$27 for occasional work outside salaried teaching, including up to 60 hours of summer curriculum development and optional PD in August
- Sick and vacation leave
- Employer contribution to Simple IRA

**To Apply:** Please email [wenmckenncs@gmail.com](mailto:wenmckenncs@gmail.com) with the following (as PDFs if possible): Cover letter, resume, three references, and a concise sample math lesson plan or narrative of your choice. Note in the email subject line: Math Teacher Job Applicant. The position is open until filled with a start date in August 2021.
