

Summer 2020 Behavior Support & Camp Administration Internship

Location: Alton Baker Park

Nearby Nature seeks a Behavior Support and Camp Administration Intern for the summer of 2020 to assist with our eleven weeks of Daycamps. Working with Nearby Nature is an excellent experience for folks interested in teaching or outdoor education!

Qualifications:

- Love being outdoors
- Experience supporting children who have behavior challenges
- Interest in program management
- Energy, sense of humor, passion
- Commitment to sustainable living
- Responsible, safety-conscious, 1st Aid/CPR training helpful
- Background in the natural sciences helpful

Responsibilities:

- Assist with camp activities and adventures (hikes, games, crafts, science projects, etc.) as needed with a focus on supporting children who have diagnosed conditions such as ADHD to kids who are simply having rough days!
- Assist with administrative, supply management, and site upkeep tasks as needed.
- Must be able to attend training sessions prior to the start of camp (see below).

Training: Training covers natural history, teaching skills, leadership, and safety. Training happens on June 6th from 10am-4pm at our site in Alton Baker Park.

Credit Options/Stipends for Student Interns: Students are welcome to arrange credit if desired through individual professors, the UO Holden Center, the UO Career Development Center, the LCC Cooperative Education Program, or other appropriate departments at area colleges. A limited number of small stipends may be available for returning interns (or individuals who put in a considerable amount of time) for the summer 2020.

Time Commitment: Daycamps run in weekly sessions, June 15 - August 28. Each session has its own unique theme. Half day camps run 9 am-noon or 1-4 pm. Full day camps run 9 am-4 pm. Interns must assist with a minimum of 4-6 weeks of our 11 week session. These weeks do not need to be consecutive. For topics and dates see nearbynature.org/daycamps.

How to Apply: Send a cover letter, resume, and references (as PDFs) to programs@nearbynature.org.

Questions: 541-687-9699, x 101 or programs@nearbynature.org.
