Night Critter Fun Facts Match Up

Draw a line between each night critter and its special fun fact.

Moth

I am the only mammal that can fly.

I like to wrap my dinner up in silk.

I will eat just about anything.

I have eye-spots on a part of my body that's not my head.

Owl

I can absorb both air and water through my skin.

I can hold my breath under water for 15 minutes.

I can turn my head almost all the way around.

Frog

Spider

Beaver

Raccoon

Bat
